Mysore Police Commissioner's Office
Bangalore. 22 June 1875.

From,

The Inspector General of Police
in Mysore.

To

The Secretary to the Chief Commissioner
of Mysore.

Sir,

I have the honor to enclose copy of a letter (No. 62 of 2d Instant) from the Deputy Commissioner Bangalore on the subject of the Superannuation Fund.

2. When the Regular Police of all Districts was reorganised last October the scale of pay hitherto given in the Bangalore District was adopted.

3. The Bangalore Police had been established under Act V. 1861. and their pay was liable to deduction on account of the Superannuation Fund and this was continued apparently through some oversight (though Section 11 under which the Fund existed had been repealed by Act X 1869) while the new Police of other parts of the Province were subject to no such deduction of salary

4. The rates of pay are not too high for this Province but the unfavorable position of the Bangalore Police who have also to suffer on account of extra expense in the cost of living, make service in Bangalore distasteful which is exceedingly undesirable in the interests of the Public service.

5. I therefore beg to recommend that the Superannuation Fund be abolished in the Bangalore District, the Government taking over the large cash balance at credit of the Fund, as was done throughout British India on the passing of Act X 1869, and dealing with the men as regards gratuity in the same manner as they do with men of other parts of this Province

6. The District Fund has existed only since 1868 when it was in contemplation to reorganise the Police of the whole province under Act V of 1861.

7. That project has since been abandoned and it would therefore be advisable to withdraw the operation of Act V of 1861 in the Bangalore District as recommended in Para 13 of my letter No. 1017/136 of 10 August 1871.

The Police rules since sanctioned by the Government of India upon which the present organisation is based conflict materially with some of the most important provisions of the Act in question.

I have the honor to be
Sir
Your Most obt. Servant

Inspector General of Police.

Sir,

1. I have the honor to request instruc-
tions regarding the Police Superannuation fund
2. The Police of the Bangalore District
was organized in 1869 under Act V of 1861, and
under Section 11, the maintenance of a Super-
annuation fund by deductions from pay of
men was compulsory; but since then the Go-
vernment of India have abolished the se-
parate Administration by Inspector Generals
of Police of these funds, and in the revision
of the regular Police of all Districts in the My-
sore Province, the salaries laid down are net
rates, the Government dealing with the question
of gratuities to Police in the same manner as to
inferior servants in other Departments.
3. Under these circumstances, I beg that the
Judicial Commissioner may be moved to have
the system abolished in this District with a
view of preserving uniformity with the other Distri

The Secretary to the Govt. of India
Foreign Dept.

Sir,

With reference to your letter No. 2 of the 5th January 1876, communicating H.E. the C in C's approval of the Proposal to abolish the Police Superannuation Fund in the Bangalore District, and requesting to be furnished, previous to the enforcement, before effect is given to the measure, what Rules it is proposed to introduce to regulate the grant of pensions and gratuities to the men of the regular Force on retirement, I am directed to state that the Regulations in force in British Burmah and referred to in para 3 of your letter appear to the Offg. Chief Commr. to meet the requirements of the case, as securing to the men all the advantages assured to them by the Superannuation Fund, and he would accordingly recommend that they may be extended by Supplementary Rules to the Province, the only alteration needed being the substitution of the words

Secretary

† Govt. Notn. No 6138 9th May 1871 published at page 386 of the Gazette of India of the 20th idem.

Insert substitute

~~District~~ Deputy Commr. for "District Supt. of Police" wherever they occur in the Burmah Rules.

I am directed to take this opportunity of recording that the special additions rules sanctioned in Financial letter No. 6471 of 11th Novr. 1874 for the grant of gratuities to the men of the old Mysore Police Force discharged on account of incompetency to perform the duties required of them under the reorganized system will have to be kept in operation until the close of Augt. next, as the Inspector General of Police represents that several cases falling under these Rules still remain to be disposed of, owing to the difficulty and delay in obtaining the requisite information for the verification of the services of the men, and in providing some of them with the allowances for which they may be entitled, with a view to the curtailment of the expenditure on account of gratuities.

I am desired to add that Government can not consent to abolish the Supernumerary Dist Police Establishment in Bangalore until 31 Dec 1875.

2. The following Rule is to be added as Rule 3 under *Section XXVI.*:

"3.—When privilege leave is, on medical certificate, retrospectively commuted to furlough out of India, so much of the leave passed before embarkation may be treated as subsidiary leave, as the officer would have been entitled to count as subsidiary leave, if he had originally obtained furlough, and not privilege leave."

## MINT AND CURRENCY.

*The 18th May* 1871.

*No.* 495.—Extract from a despatch from the Right Hon'ble the Secretary of State for India, addressed to the Government of India in the Financial Department, No. 89, dated 23rd March 1871:

Para. 1. I have considered in Council your Legislative letter dated the 18th January 1871, No. 1, forwarding copy of a Bill to consolidate and amend the law relating to the Government Paper Currency, with the Report of the Select Committee thereon, and a copy of the statement made by Sir Richard Temple in presenting that Report.

2. This Bill authorizes the issue of notes for five Rupees, the law in other respects remaining substantially unchanged.

3. In the statement of Sir Richard Temple, the objections entertained to the use of notes of so low a denomination as five Rupees are referred to, as well as the measures by which he considers that loss or inconvenience to any class of the community from their being unable to obtain cash for notes in the interior of the country will be obviated.

* * * * *

5. It appears to be essential to the success of the Government Paper Currency that notes of five Rupees should be issued. Sir Charles Wood, in his Financial despatch dated the 2nd May 1861, expressed his strong opinion in favor of the introduction of the five-Rupee Note, observing that unless the notes "are for such amounts as can be practically used in the ordinary payments of the people, they cannot circulate to any extent."

6. I see no reason to question the soundness of that opinion, and I have, therefore, in a Legislative despatch* of this date, informed you that the Act will be left to its operation.

* No. 20.

7. It is of very great importance, however, that it should be fully made known that while the Government is anxious to afford every facility for the encashment of notes at the subordinate treasuries in the interior of the country, cash for notes can only be *demanded* at the Office of Issue, and at that of the Presidency town to which the Office of Issue belongs.

8. If this be not well understood, the failure of any subordinate treasury on an emergency to give cash for a note might be regarded as a default on the part of the Government and might exercise a very prejudicial effect in discrediting the notes in the general estimation of the people.

ORDER.—Ordered, that a copy of the above be published in the *Gazette of India* for general information.

## PENSIONS AND GRATUITIES.

*The 19th May* 1871.

*No.* 613.—Police Officers on pay not exceeding Rs. 20 a month, when discharged from the revised constabulary as physically unfit for further service, have hitherto been allowed pensions or gratuities from the Police Superannuation Funds, under rules which were administered by Local Governments without reference to the Government of India.

2. The Superannuation Funds having been abolished, and the invalid pensions and gratuities being now payable from the general revenues, it is necessary to define the mode in which orders shall be passed on claims for such pensions and gratuities under the rules in force on this head for the time being.

3. To prevent error or fraud in computing service, there shall be kept up in each Police Force, separately for each District, by its District Superintendent of Police, a service roll in English, in which shall be recorded for each man the date of his enrolment in the constabulary, his caste, tribe, village, age, height, and marks of identification at the time of enrolment; his rank, promotion, reduction or other punishment; his absences on leave or without leave; breaks in his service, and every other incident in his service which may involve forfeiture of portions of his service, or affect the amount of his pension or gratuity.

4. The roll shall be checked by the vernacular roll and order book, and the punishment register, and every entry in it, shall be signed by the District Superintendent of Police, and checked at the periodical inspections by his controlling officer.

5. From this roll all service statements shall be prepared, additional proofs being required and collected, however, in respect of any service under Government before enrolment in the constabulary, which the Police Officer may be entitled to reckon under any rule or special order of the Government of India.

6. Claims by Police Officers on Rs. 20 or less pay to pension or gratuity for merely the period of continuous and verified service in the civil constabulary in which they are serving at the time of application may, if admissible under the strict letter of the rules in force, be allowed by the Inspector General of Police. A list of all pensions or gratuities thus sanctioned, with requisite particulars for identifying the men discharged, should be furnished by the Inspector General to the local Accountant General; and the grants should also be reported to the Government of India in the usual quarterly statements of similar grants in other departments which are submitted by the Local Governments.

7. When the service for which pension or gratuity is claimed, includes time passed in grades ineligible to pension under the ordinary rules, or when there are breaks in the service, or when the amount claimed as pension or gratuity is larger than the strict letter of the rule permits, the application for pension or gratuity should be referred through the Local Government for the orders of the Government of India.

8. Payments of pension and gratuity shall be made by the Treasury Officer of the District in which the payees reside on their identification by the District Superintendent of Police, and special committees shall be assembled every five years for identifying the pensioners.

9. The preceding rules are applicable to Police Officers on pay not exceeding Rs. 20 a month; but to facilitate generally the disposal of claims to pension, the Inspector General of Police shall keep a record of the service of every officer including every European Officer in the force, and shall verify the record annually in communication with the local Accountant General.

With reference to the correspondence ending with your Offg. Secretary's letter No. 9593/142 F. dated 11th March 1876, on the subject of the abolition of the Police Superannuation Fund in the Bangalore District, I am directed to state that the Notification of the Financial Department, No. 613, dated 19th May 1871, was not correctly quoted in paragraph 3 of the letter from this Office No. 2 F. dated 5th January 1876, as regulating the grant of pensions and gratuities to the men of the Regular Police Force in British India. The grant of such pensions and gratuities is regulated by the provisions contained in Chap. XXI of the Civil Pension Code, while the Notification above quoted simply prescribes the procedure to be adopted. I am therefore to request that you will now state for the information of the Governor General in Council whether there is in your opinion

any

any objection to the grant of pensions and gratuities to the members of the Mysore Regular Police Force being regulated by the provisions of Chap. XXI of the Civil Pension Code.

2. I am also to take the opportunity to enquire whether, previous to the abolition of the Police Superannuation Fund of the Bangalore District, anything was done which could lead the members of the Bangalore District Police to expect that the grant to them of pensions and gratuities would be regulated by the Rules of that Fund, a draft of which was submitted under cover of the letter[x] noted in the margin, but which never received the sanction of the Government of India. If the men of the Bangalore Police Force were led to believe that their pensions or gratuities would be regulated according to those rules, the Gov. General Department.

Sir,

I have the honor to reply to your endorsement No. 2638/154 of the 14th instant on Government of India Foreign Department No. 216 F. dated 29th Ultimo on the subject of extending to the Mysore Rural Police the rules laid down in Chapter XXI of the Civil Pension Code, I have the honor to remark as follows—

2- The first section of the Chapter (97) contains "Special rules" for members of Police Forces constituted under certain specified acts of the Governor General in Council— and the Governor of Bombay in council. Sections 98 and 99 relate to Municipal and Railway Police. Section 100 relates to the Police provided for in Section 97. Sections 101 and 102 specify certain exceptional cases. Section 103 lays down that a policeman on pay not exceeding Rs 20/- who, re-enlists within

one

one year of his discharge may count pre-
-vious service at the discretion of the Inspector
General. 24

3 The sections which may be applied
to the Mysore Police, appear to be 103 to 111
with which the Chapter ends. The principal
provisions are, as given in Scale B of Section
104, namely,

4- That the pension or gratuity admissible
to an Officer whose pay at date of discharge
or resignation does not exceed Rupees 20/-
will be according to the rules prescribed
in Chapters XI, XII and XIII of the Code,
for "Superior Service" with the further ad-
-vantage that (1) all service in the Police
qualifies after the age of 18 (instead of 22
as in other departments) and (2) that
one year's leave in 15 years service, and
two in 30 years is to be reckoned as ser-
-vice for pension, in addition to the leave
provided for in Chapter IX.

5- The benefits of the rule recited, have
never been enjoyed by the Police in Mysore,
of the grades carrying pay not exceeding
Rupees 10/- Per Month. The rule under
which

which they have been dealt with is that laid down in Section 63 of the Civil Pension Code (Rule 2), which provides for all classes of "Inferior Service" in Mysore, "Compensation" Gratuities" i.e. on reduction of Establishments, or "Invalid" Gratuities, which are granted at the rate of one Months' pay for each years Service after the age of 16 (without limit, as to the number of years' Service, and all authorized leave counting as service under Section 42). The pay is computed on the average of the 3 last years and limited to Rs 10/- agreeably to the original Government Orders prescribing the rule.

× This rule I submit should continue to be applied to the Mysore Police as regards all service terminating in the grade of 2d class Duffadar the pay of which is 10/- For men who on retirement may have

have attained a higher grade and rate of pay, I would suggest that previous service in lower grades after the usual age of 22, may be permitted to reckon as "Superior Service" and they only ~~those~~ would receive pensions on the Conditions for "Superior Service."

6. It may be urged that the liberal rules provided by the Code seem equally applicable to inferior Service in the Police of Mysore as in that of Imperial Provinces, but I beg to point out that in the latter the ordinary scale of gratuities and pensions (vide margin) which would have governed inferior Service in the Police, in the absence of special rules, was by no means so advantageous to the recipients as the Mysore Rule of a months pay for every years Service. other hand, having regard to the steps being taken to promote Elementary Education among the members of the new Mysore Police and the toilsome nature of their duties, it seems fair that they should be allowed some privileges not enjoyed by the uneducated classes of servants in other Departments such as Office Orderlies and peons - Hence my recommendation that service in the lower grades after the age of 22 should count as superior service, in the case of men attaining the grade of 1st Class Duffadar. To this I would add, with a view to promoting the efficiency of the Force by weeding it from time to time of worn out men, that Police men of all grades, may be deemed entitled to retire on being pronounced by the principal District Police Officer and an approved Medical certificate, to be physically unfit either from age, indifferent health, or other causes beyond their control, for further service in the Police - Further, it may be provided that if a police man so incapacitated he

be admitted to Government Service of any other kind suited to his capacity, he may nevertheless be eligible for the gratuity or pension earned by his service in the Police, as an exception to Rule 5 of Section 49 of the Code. All claim for past service would thus be cancelled but he might thereafter qualify for another gratuity for his new service. With reference to the remaining sections of Chapter 21 I may remark that Sec. 106 would not apply to the Mysore Police, as it is not proposed to reckon service for pensions before the usual age of 22. Nor would Sections 107 and 108, but Section 109 regarding District Service Rolls should be adopted. The Power of sanction provided in Section 110 may also be vested in the Inspector General of Police. Section 111 regarding the identification of pensioners by District Superintendents of Police would also apply, but as the great majority of the men would retire with Gratuities, the pensioners would be very few in number and hardly need

need identification by a special Com-
-mittee.

8 I would suggest that the rules eventually adopted may be published in the local Gazette, and copies in Canarese furnished to every member of the Police.

I have the honor to be,
Sir
Your most Obd.t Servant.

From,
The Inspector General
of Police.

To,
The Secretary to the
Chief Commr. of Mysore.

Sir,

With reference to the Chief Commissioner's order No. 2638/F 154 of 14th instant, I have the honor to report, that prior to the abolition of the Superannuation Fund of the Bangalore District Police, nothing was done which could lead the members of that Force to expect that the grant to them of pensions and gratuities would be regulated by any rules of that Fund, in fact no rules for the administration of the Fund had been framed.-

2. Several men of the Bangalore District Police have been discharged within the last few years on gratuity computed according to the scale laid down in Para 2 Section 63 of the Civil Pension Code, and I am of opinion that this scale is sufficiently liberal to meet all future claims of men whose pay is

less than Rs 10 per mensem; the claims of those on pay of above Rs 10 being dealt with under the Rules applicable to "Superior Service" 32

3. The Superannuation Fund is still maintained in the Cantonment and Town (the Police of which are paid partly from Municipal Funds) and the subscriptions paid by them to the Fund are taken as part of the gratuities paid to them on discharge.

I have the honor to be,
Sir,

Sir,

~~Im acknowledging the~~
Im Dr Hadow's receipt of your letter No 216 dated 29th May 1876, requesting ~~information on the following points in connection with the~~ the opinion of the Supreme abolition of the Police Superannuation Fund in the Bangalore District (1) whether ~~in the Chief Commrs opinion~~ there is any objection to the grant of pensions & gratuities to the members of the Mysore Police Force being regulated by the provisions of Chapter XXI of the Civil Pension Code, and (2) whether previous to the abolition of the Fund, anything was done which would lead the members of the Force to expect that the

Grant to them of pensions and gratuities would be regulated by the Rules framed for the purpose in 1869, but which did not receive the sanction of the Government of India. I am directed to report that in the Chief Comm.r's opinion there seems no objection to pensions and gratuities to the men of the Police Force being regulated by the provisions of Chapter XXI of the Civil Service Code, but I am to remark that the first section of the Chapter (97) contains special rules for members of Police Forces constituted under certain specified Acts of the G. G. in Council and the Governor of Bombay in Council. Section 98 and 99 relate to Municipal and Railway Police. Section 100 relates to the Police provided for in Section 97. Sections 101 and 102 specify certain exceptional cases. Section 103 lays down that

In the first para, I am directed by the Chief Comm.r to observe that

a policeman on pay not exceeding 20 Rs. who re-enlists within one year of his discharge may count previous service at the discretion of the Inspector General.

2. The Sections of ~~the~~ Chapter XI which appears applicable to the Mysore Police are Nos 103 to 111. The principal provisions as given in Scale B of Section 104 are that the pension or gratuity admissible to an officer whose pay at date of discharge or resignation does not exceed 20 Rs. per mensem will be according to the Rules prescribed in Chapters 11. 12 and 13 of the Code for "Superior Service," with the further advantage that (1) all service in the Police qualifies after the age of 18 instead of 22 as in other Depts, and (2) that one year's leave in 15 years' service, and 2 in 30 years, is to be reckoned as service for pension in addition to the leave provided for in ~~the~~ Chapter IX.

3. Save as herein provision

4. ~~The exceptions~~ of these

above rules have never been applied ~~by~~ to the Police in the Province of the grades carrying pay not exceeding 10 Rs. per mensem. The rule under which they have been dealt with is that laid down in Section 63 of the Civil Pensions Code (rule 2) which provides for all classes of "Inferior Service" in Mysore Compensation Gratuities - i.e. on reduction of Establishments, or "Invalid" Gratuities which are granted at the rate of 1 months pay for each years service after the age of 16 (without limit as to the number of years service, and all authorized leave counting as service under Section 42). The pay is computed on the average of the 3 last years and limited to 10 Rupees agreeably to the original Government orders prescribing the Rule. This Rule might Mr. Saunders' proposals continue to be applied to the Mysore Police as regards all service terminating in the grade of 2nd Class Duffadars

the pay of which is 10 Rupees.
For men who may 27 leave
attained on retirement a
higher grade and rate of pay
the Chief Comm.r would
suggest that previous ser-
vice in lower grades after
the usual age of 22 may be
permitted to reckon as
"Superior Service," and they
only would receive pensions
on the conditions laid down for "Superior
Service".

X. 5 It may be urged
that the liberal rules
provided by the Code seem
equally applicable to inferior
service in the Police of
Mysore as in that of Im-
perial Provinces, but I am
desired to point out that
in the latter the ordinary
scale of Gratuities and
pensions (vide that laid
down in Section 63 for
Inferior Service) which
would have governed
inferior service in the
Police in the absence of
Special rules was by no

means so advantageous to the recipients as the Mysore rule of a month's pay for every year's service. On the other hand, ~~the value of the steps being~~ taken to promote elementary education among the members of the new Mysore Police and the toilsome nature of their duties, it seems fair that they should be allowed some privileges not enjoyed by the uneducated classes of servants in other Departments such as Office orderlies and peons. Hence the recommendation that service in the lower grades after the age of 22 should count as superior service, in the case of men attaining the grade of 1st Class Duffadar. To this the Chief Commr would add, with a view to promoting the Efficiency of the Force by weeding it from time to time of worn out men, that Police men of all grades may be deemed

of Police duties as Constables like them discharged by uneducated classes of servants in other Depts, as well as the expediency of holding out better inducements than hitherto to men of the force who by education & attainments have rendered themselves fit for posts in the Dept, under the exception of Clerks in the Superior Service. Rule 6 of the Calendar of the Mysore Police 22, to read as follows and approved "Men attaining the grade of 1st Class Duffadar as recommended in Rule 4 above may be granted as a means of further promoting the efficiency of the force, ~~by the Inspector General~~ on recommendation of Deputy Inspr General of the Range, by the Chief Commr who will consider

entitled to retire on being pronounced by the principal District Police Officer and an approved medical Certificate, to be physically unfit either from age, indifferent health, or other causes beyond their control for further service in the Police. Further it may be provided that if a Police-man so incapacitated be admitted to Government service of any other kind suited to his capacity, he may nevertheless be eligible for the Gratuity or pension earned by his service in the Police, as an exception to Rule 5 of Sec 49 of the Code. All claim to past service would thus be cancelled but he might thereafter qualify for another Gratuity for his new service.

~~8 With reference to the ~~ ~~Section of Chapter~~ ~~XXI I was desired to remark that Section 106 would not apply to the Mysore Police,~~ ~~or it is not proposed to reckon service for pension~~ ~~before~~

entitled to retire on being pronounced by the Principal District Police Officer and an approved medical Certificate, to be physically unfit either from age, indifferent health, or other causes beyond their control for further service in the Police.

7. As to further Rules to

the Chief Commr. Section

of pensioners by District

would retire with gratuities,

Proceedings of the Chief Commissioner of Mysore.

This Office letter to the Government of India, Foreign Department, No. 3929/64, dated 15th July 1876.

Reply from Foreign Department, No. 401 F, dated 13th September 1876.

I am desired to acknowledge receipt of your letter, No. 216, dated 29th May 1876, requesting, with reference to the proposed abolition of the Police Superannuation Fund in the Bangalore District, to be informed (1) whether there is any objection to the grant of pensions and gratuities to the members of the Mysore Police Force being regulated by the provisions of Chapter XXI. of the Civil Pension Code, and (2) whether, previous to the abolition of the Fund, anything was

2 to J.64 Govt. of India.

52

me which would lead the members of the Force to expect that the grant to them of pensions and gratuities would be regulated by the Rules framed for the purpose in 1869, but which did not receive the sanction of the Government of India.

2. On the first point, I am directed by the Chief Commissioner to observe that the Sections of Chapter 21 which appears applicable to the Mysore Police are Nos 103 to 111. The principal provisions, as given in Scale B of Section 104, are that the pension or gratuity admissible to an Officer whose pay at date of discharge or resignation does not exceed 20 Rs per mensem, will be according to the

Rules

Rules prescribed in Chapters 11, 12, and 13 of the Code for "Superior Service," with the further advantage that (1) all service in the Police qualifies after the age of 18, instead of 22 as in other Departments, and (2) that one year's leave in 15 years' service, and 2 in 30 years, is to be reckoned as service for pension, in addition to the leave provided for in Chapter IX.

3. I am to remark that the provision of these rules have never been applied to the Police in this Province of the grades carrying pay not exceeding 10 Rs per mensem. The rule under which they have been dealt with, is that laid down in Section 63 of the Civil Pension Code, (rule 2), which provides for all classes

classes of "Inferior Service" in Mysore
"Compensation" gratuities, i.e. on reduction
of Establishments, or "Invalid" gratuities
which are granted at the rate of 1 month's
pay for each year's service after the age
of 16 (without limit as to the number of
years' service, and all authorized leave
counting as service under Section 42).
The pay is computed on the average
of the 3 last years, and limited to 10 Rs.
agreeably to the [x] original Government
orders prescribing the rule.

[x] Foreign Deptt.
No 3044, of 31st
August 1869

2. This rule might, in Mr. Saunders'
opinion, continue to be applied to the
Mysore Police as regards all service
terminating in the grade of 2d Class
Duffadars, the pay of which is 10 Rs.

For

For men who may have attained, on re-
-tirement, a higher grade and rate of pay,
the Chief Commissioner would suggest
that previous service in lower grades,
after the usual age of 22, may be per-
-mitted to reckon as "Superior Service",
and they only would receive pensions on
the conditions prescribed for "Superior
Service".

5. It may be urged that the liberal
rules provided by the Code seem equally
applicable to inferior service in the Police
of Mysore as in that of Imperial Provinces
but I am desired to point out that in
the latter the ordinary scale of gratuities
and pensions (vide that laid down in
Section 63 for Inferior Service) which

would

would have governed inferior service in the Police in the absence of special rules, was by no means so advantageous to the recipients as the Mysore rule of a month's pay for every year's service. On the other hand, the nature of Police duties as contrasted with those discharged by uneducated classes of servants in other Departments, as well as the expediency of holding out better inducements to those members of the force who by education and attainments raise themselves to the higher posts in the Department, render it desirable that the benefits of the Superior Service should be extended, after the age of 22, to men who attain the grade of 1st Class Duffadars and

and upwards, as recommended in para 4 above.

6. As a means of further promoting the efficiency of the force, and of weeding out of it from time to time, worn out men, the Chief Commissioner would recommend that Policemen of all grades may be deemed entitled to re=tire on being pronounced by the prin=cipal District Police Officer, and on approved Medical Certificate, to be physically unfit either from age, in=different health, or other causes beyond their control, for further service in the Police.

7. It would further be desirable to provide that, if a Policeman so incapacitated

incapacitated be admitted to Government service of any other kind suited to his capacity, he may nevertheless be eligible for the gratuity or pension earned by his service in the Police, as an exception to Rule 5 of Section 49 of the Code. All claim to past service would thus be cancelled, but he might thereafter qualify for another gratuity for his new service.

8. As regards the other Sections of Chapter 21 referred to in para 2 above, the Chief Commissioner would propose to adopt the provisions of Section 109 regarding District Service rolls. The final power of sanction provided in Section 110 might well be retained in this

this Province by the Chief Commissioner,
Section III regarding the identification
of pensioners by District Superintendents
of Police would also apply, but as the
great majority of the men would
retire with gratuities, the pensioners
would be very few in number, and
would hardly need identification
by a special Committee.

9. On the 2d head, of enquiry contained
in your letter under reply, I am desired
to state that, prior to the abolition of the
Superannuation Fund, nothing was
done which could lead the members
of the Mysore Police Force to expect
that their pensions would be regulated
by any rules of that Fund, and

that

that, in fact, no rules for its admin-
-istration had been framed.

In reply to your Officiating Secretary's letter, No. 3929/64, dated 15th July 1876, I am directed to state that the Governor General in Council approves of your proposals on the subject of the rules which should regulate the grant of pensions and gratuities to members of the Mysore Police Force. No. 401 J, dated 13th Septr. 1876, Govt. of India

2. A complete draft of the rules should now be submitted to this Office for publi-
-cation in the Gazette of India, together with the Notification abolish-
-ing the Police Superannuation

From

To

The Inspector General,
of Police.

Sir,

With reference to the Chief Commissioner's Proceedings No. 6322/365 dated the 25th Ultimo, I have the honor to forward a draft of special Rules for the grant of Pensions and Gratuities to members of the Mysore Police, and shall be glad to be informed whether they have your concurrence. They are based on the proposals which have been submitted by the Chief Commissioner and approved in the Government of India, but it has occurred to me to provide in the Rules an option for men who by promotion above the grade of 2nd Class Duffadar may become eligible for a "Superior Service" Pension or Gratuity, by allowing them, if they prefer it, to take instead, an Inferior Service gratuity limited by the maximum pay of Rs. 10/ to which such a gratuity is restricted.

2. My reason for making this proposal is that in some cases an Inferior Service gratuity would be more in amount than a "Superior Gratuity, as the former is earned by service from the age of 16 whereas "Superior" service reckons from 22, and in many cases a lump sum would be preferred to a life pension. It is only equitable that men above the grade of 2nd class Duffadar should not suffer by their promotion.

3. I may add that the rules now drafted do not embrace the Police of the Bangalore Municipal Commission, who you are aware Contribute towards a Superannuation Fund. But practically they receive gratuities on the same terms as those rules provide for the State Police, and I see no reason why the rules should not equally apply to them.

4. The Contribution of each Gratuitant to the Superannuation Fund has heretofore been applied towards the reduction of the cost of his gratuity, to Government and the Municipality, thus leaving at credit of the Fund the contributions of all who from various causes have left or may hereafter leave the force without receiving gratuities. These contributions thus remain unutilized

and

and the Fund has in consequence accumulated to the amount of about 17000/ Rupees. I would propose with your Concurrence that the amount may be transfered, with the Chief Commissioner's sanction, to the credit of Government and the Municipality in the proportion in which they have respectively defrayed the pay of the Subscribers.

Hereafter, the net charge for pay, after deducting subscriptions need only be apportioned as at present between Government and the Municipality.

I have the honor to be Sir
Your most obedient Servant

I have the honor to acknowledge the receipt of your letter No. 3556 of 11th Ultimo

a draft of Rules for the grant of gratuities to members of the Mysore Police Force.

2. I have carefully looked over the draft, and while Concurring generally in its provisions, I am of opinion that men discharged otherwise than on Medical Certificate or on production of Establishment should not receive full rates of gratuity. I therefore enclose a draft of Rules shewing this modification.

3. With reference to para 3 of your letter, I consider that these rules should be applicable only to the District Police and small bodies of Municipal Police, other than those of the Cantonment and Town of Bangalore; The Constitution of the Bangalore Cantonment and Town Police is distinct from all other in the Province; It was established and is still working under Act V of 1861, and the members of it, who have for years contributed to a still existing Superannuation Fund, have been led to expect Pensions, in fact many of them were pensioned about 10 years ago and some of these are still living; The men too are mostly drawn from a different class to those of the Rural Police. I would therefore

recommend

recommend that while the present separate administration of the Superannuation Fund be abolished, and Government be credited with the assets and future subscriptions, the Members of the Bangalore Cantonment and Town Police be entitled to all the benefits of Chapter XXI of the Civil Pension Code, and that in addition thereto such as desire (when eligible for pension) to receive gratuity instead of pension may be entitled to the same, calculated at a full months' pay not exceeding ten Rupees for each Completed year of Service.

4. I beg to enclose herewith two Drafts of Rules for pensions and gratuities, one (marked A) applicable to the Rural and District Municipal Police of the Province, the other (marked B) applicable to the Police of the Cantonment and Town of Bangalore, which, I trust, will meet all requirements.

Sir,

In accordance with the instructions conveyed in your letter No 4017 F of the 13th September last, I am directed by the Offg Chief Comr to submit, for publication in the Gazette of India, if approved, a Draft of Special Rules for the Govt of persons and Statistics of members of the Mysore Rural Police Force together with a Draft Notification prepared in terms of Act XI of 1869, for the abolition of the Police Superannuation Fund in the Bangalore District.

2. The Rules are based on the proposals submitted in this Office letter No 3929 dated 15th July 1876 which have been approved by His Excy the Governor in Council in your letter under acknowledgment; but the Offg Chief Comr has deemed it necessary to provide in Rule III that Policemen who [illegible]

to any grade above that of 2nd Class Sappers become eligible for a "Superior Service" pension or gratuity, may, ~~at their option~~ be allowed the option of taking an Inferior Service gratuity, limited by the maximum sum of Rs 10 to which it is restricted.—

The reason for proposing this addition, I am to state, is that in some cases an "Inferior Service" gratuity would be ~~some~~ ~~in amount than a "Superior"~~ ~~but~~, as the former is earned by service from the age of 16 years, whereas the latter reckons from 22, and it is probable that in many cases a lump sum would be preferred to a life pension.— Moreover it is only equitable that men who are promoted above the grade of 2nd Class Sappers should not suffer by such advancement.—
